

2.5 days new accredited training,
2 groupwork programmes,
2 enable changes in children
& teenagers behaviour

At Fun & Families we believe that parents & carers are the experts, working in partnership with other parents & experienced facilitators to reach solutions

We have successfully delivered groups across Leicester City & The County for nearly 20 years, so we won't be teenagers much longer!

At the Centre, families contribute to the development & running of the groups, making them practical & down to earth.

The focus is on enabling & empowering parents & carers. It's 2 good 2 miss!

Our training is ideal for any practitioners wanting to develop group work skills & deliver inspirational programmes

Our programmes have been reviewed by
The National Academy of Parenting Practitioners (NAPP)
