## Professional Learning in Leicester

Leicester  
City Council

# The Teaching of Reading (NQT's)

## Venue, Date & Time

Peepul Centre – 17<sup>th</sup> or 25<sup>th</sup> May 2011 (9:00am – 4:00pm)

## Course Aims

- To develop subject knowledge and pedagogy in all aspects of the teaching of reading.
- To have a shared understanding of standards and progression in reading.
- To have a clear understanding of the effective use of assessment to inform planning for the teaching of reading.
- To share good practice in the teaching of systematic synthetic phonics.
- To focus on and develop the range of reading skills taught in order to impact on pupils' development of language comprehension.

## What will you Learn?

- The key principles underpinning the teaching of reading including "The Simple View of Reading".
- The importance of and approaches to assessment for learning.
- The effective way of teaching young children to decode at an early age.
- Guided reading as an effective strategy for the teaching of reading.
- Strategies to develop reading comprehension.
- How to inspire a love of reading.

## How will you Learn?

- Teachers will have the opportunity to:
  - self reflect and evaluate current practice.
  - Share good practice & learn interactively.
  - Work collaboratively with colleagues & create action plans.
  - Develop networks with colleagues.

**\*\*COURSE APPLIES TO NEWLY QUALIFIED TEACHERS IN FOUNDATION STAGE, KEY STAGE 1 AND KEY STAGE 2 PRIMARY, INFANT AND JUNIOR SCHOOLS.**
